

## 8 Fort

Ojima strait in Setouchi-cho was learned about as a gentle and natural good harbor, and military facilities were provided town all part with as staging terminal of wartime and a ship to the south front. During the Second World War, an old navy defense corps base also built priming of the tides (SHUBIYA) in Yamaichi area in Yoroshima here. To the way the old battlefield is a car from Yoro village and where it's a mountain, about 10 minutes. It's at the place where I was walking to the inside in a mountain and entered one after another after I get off.It's a mountain path, so the clothes I tend to walk are mmended.

瀬戸内町の大島海峡は穏やかで天然の良港として知られ、戦時、南方戦線 へ向かう電船などの中継基地として、町内各地に軍事施設が整備されてい きました。第二次世界大戦中、ここ与路島にも潮早(シュビヤ)山一帯に旧海 軍防備隊基地が構築されました。その戦跡は、与路集落から車で山のほうへ 約10分。降りてからもどんどん山の中へ歩いて入ったところにあります。 山道なので歩きやすい服装がおすすめです。

## 10 HAMIYA Island ハミヤ島

The island where a hill of sand is mysterious The mysterious desert island where a hill of the sand which is between Ukeshima and Yoroshima is characteristic. Because the one as HANMYA means a loophole by a word in an island, and is between the island and the island, it's called HANMYA island. It's necessary to reserve a ship from Koniya and Ikomo to visit. Even television photography was used many times, and even this good golden legend was used.

## 砂の丘が神秘的な島
